

To Our Valued Customers:

The Bank's branch locations are currently closed due to a temporary technical problem at a third-party service provider. We expect to have the issue remedied in short order and will keep you apprised. Please check our website for updates. Currently, as a result, we are unable to process any in-branch over-the-counter transactions or at drive-up windows. **You can still perform all of your transactions utilizing online banking, mobile banking or branch ATMs.**

We are working to have the issues resolved as quickly as possible and we will keep you updated with any developments. If you have any questions, please contact Gisella DiPaola directly at 617.833.9661.

We apologize for any inconvenience.

We have number of convenient options to continue banking:
